

ABOUT JAKE'S!

Established in 2020

Jake's Stateline Pro Shop sits inside Cougar Lanes in Clinton, WI. I've been part of the crew here for over 20 years and bowling here for over 25 years. I began working in the pro shop in 2019, and then expanded my knowledge by becoming a certified pro shop technician at Jayhawk Supply in 2020. Since then our full service shop has grown and so have our bowler's averages.

With competitive prices and quick turnaround on work, this is the pro shop for you!
